

LAGOON VIEW

TRIFON ESTATE
GOULBURN VALLEY

Lagoon View wines are inspired by the picturesque 15-acre lagoon where the vines overlook the lagoon at our vineyard hence the name 'Lagoon View'. The source of water for our lagoon and this premium range of wines is underground artesian spring water. Our Lagoon View range of wines have been awarded 130+ awards in the last 5 years at Australian, Asian, European and North American wine competitions.

Lagoon View wines are vintaged from 100% premium quality Goulburn Valley estate grown fruit. Red wines are matured in quality oak while our white wines are fresh and fruit driven. This produces a premium range of wines that can be enjoyed on their own or with food. Our red wines can also be cellared.
